

## **CRP Ltd debuts on the stock exchange; Partners with Reliance Nippon Life Insurance Company for Bancassurance services**

**Mumbai: January 31, 2018.** The leading purveyor of risk management and risk mitigation services, CRP Risk Management Ltd (CRP), is now listed on the BSE SME exchange.

CRP products and services include Insurance Services, KYC Checks, Verification, NPA Investigation, Know Your People, etc. CRP has one of the deepest geographic penetrations in the nation, with a delivery promise on every pin code. It is powered by a successful proprietary software app- CRP INDI- that tracks in, real-time, locations with latitude & longitude coordinates, digital signatures with pictures, and audio uploads for a fool-proof verification system. With over 2 decades of domain experience in risk management services, CRP caters to over 23 industries with a nationwide operations network and the highest standards in information security validated through the ISO 27001:2013 certificate.

Reliance Nippon Life Insurance Company (RNLIC) has recently partnered with CRP to augment its bancassurance servicing capabilities for improved customer service across a wide geography. This partnership is aimed at rapidly scaling up service capabilities for RNLIC's recent bancassurance partnership with a leading Public Sector Bank. Commenting on this partnership with CRP, Mr. Prerak Parmar, Chief Distribution Officer at RNLIC said, "We are committed to becoming the preferred life insurance company in India and this partnership with CRP for Bancassurance Services will go a long way in delighting our customers and Bancassurance Partners."

CRP Risk Management Limited's clientele includes one of India's three leading private sector banks, eight public sector banks including the industry leaders, nine insurance companies, two of which are among the top five in the Life & General Insurance segments, a leader in the Mobile Wallet space, a leading publication house of India, large e-commerce ventures and BPOs to cite a few. Commenting on this partnership and the listing Mohammed Syed Raza, CEO & MD, CRP said "We are committed to providing the best in class service for all our clients. The Bancassurance partnership will drive business in the insurance space and expand our frontiers with the industry to beyond risk management."
